In compliance with state law, Thomas Health is providing this price list containing our charges for room and board, emergency department, operating room, delivery, physical therapy and other procedures. The hospitals' charges are the same for all patients, but a patient's responsibility may vary, depending on payment plans negotiated with individual health insurers. Uninsured or underinsured patients should consult with our admitting and billing staff to determine whether they qualify for discounts. These prices are correct as of February 1, 2021.
