

# TRANSFER CENTER PROCESS

## Outlying Facilities

Call is placed to Thomas Health Transfer Center's number,  
304.766.4358

Our goal is to answer each call as received; however, please leave a message with your facility name and number if there is no answer. We will return your call promptly.

# TRANSFER CENTER PROCESS

Direct Admission requiring Hospitalist coverage

Call is placed to Thomas Health Transfer Center's number,  
304.766.4358

1 The call is received/returned by Supervisory RN staff to obtain basic patient information and determine patient services required.

2 If service is provided by Thomas Health and the patient bed is available, then the on-call physician is paged.

3 Sending and receiving physicians are connected on a conference call with Supervisory RN for further patient condition information.

4 Supervisory RN will confirm the acceptance of the patient and assigns a bed.

5 Supervisory RN will obtain further patient information from the sending physician to facilitate the registration process and patient hand-off to the required unit.

Our goal is to answer each call as received; however, please leave a message with your facility name and number if there is no answer. We will return your call promptly.
